

ASSOCIATION OF ANCIENT GREEK PHILOSOPHY «SYN ATHENA»  
3<sup>rd</sup> CONFERENCE ON EPISTEMOLOGY - CONEP 3 'SCIENCE & IDEOLOGY'

30/08/2019 - 01/09/2019, Kavala, Greece

2<sup>nd</sup> Call for abstracts

Deadline extension: June 12, 2019

The Association of Ancient Greek Philosophy 'syn Athena' is organizing the 3<sup>rd</sup> Conference on Epistemology 'Science and ideology', which will take place in Kavala, Greece on 30 August-1 September 2019. After the 1<sup>st</sup> conference 'On the unity of knowledge' (2015) and the 2<sup>nd</sup> conference 'Didactics of science' (2017), the present conference focuses on the relationship between science and the pretheoretical notion of ideology. The role and impact of various ideologies on the sciences is examined especially regarding: (i) the mechanisms of collection and evaluation of information, (ii) the ways of management of information and interpretation of reality, (iii) the limits or spectral relation between subjectivity and objectivity regarding what is true and what is good, what is knowledge and how can knowledge be optimally used in the various scientific fields. Researchers are invited to submit abstracts in English or Greek on one or more of the following topics.

#### MAIN TOPICS

- Ideology & natural sciences
- Ideology & social sciences
- Language & ideology
- Economy & ideology
- Bioethics
